INDEPENDENT AUDITOR'S REPORT

To,
The Members of,
PYRAMID TECHNOPLAST PRIVATE LIMITED

We have audited Report on the Audit of the Financial Statements

Opinion

the standalone financial statements of Pyramid Technoplast Private Limited ("the Company"), which comprise the balance sheet as at 31st March 2022, and the statement of Profit and Loss, and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31st, 2022, and profit/loss and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of Management for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the accounting principles

generally accepted in India, including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risk of material misstatement of the Standalone Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exits, we are required to draw attention in our auditor's report to the related disclosures in the Standalone Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone Financial Statements, including the disclosures, and whether the Standalone Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatement in the standalone Financial Statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Financial Statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatement in the Financial Statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including and significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we may have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

We believe that the audit evidence obtained by us in terms of our reports is sufficient and appropriate to provide a basis for our audit opinion on the financials of the company.

Report on Other Legal and Regulatory Requirements

As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the "Annexure A" statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

As required by Section 143(3) of the Act, we report that:

- (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
- (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books and proper returns adequate for the purposes of our audit have been received from the branches not visited by us.
- (c) The Balance Sheet, the Statement of Profit and Loss, and the Cash Flow Statement dealt with by this Report are in agreement with the books of account and with the returns received from the branches not visited by us.
- (d) In our opinion, the aforesaid standalone financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
- (e) On the basis of the written representations received from the directors taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2022 from being appointed as a director in terms of Section 164 (2) of the Act.
- (f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B".
- (g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - The Company does not have any pending litigations which would impact its financial position in foreseeable future.
 - The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company
 - iv. a) The Management has represented that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either-

from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entity ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

- b) The Management has represented, that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Company from any person or entity, including foreign entity ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
- c) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.

V. The Company has not declared or paid any dividend during the year under reporting.

ANNEXURE "B"

Annexure referred to in Point 2(f) of the Auditor's Report of even date to the members of M/S Pyramid Technoplast Private limited for the year ended 31st March, 2022.

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of M/S Pyramid Technoplast Private Limited ("the Company") as of 31st March, 2022 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on "the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India". These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by ICAI and the Standards on Auditing prescribed under section 143(10) of the Companies Act 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness.

Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the standalone financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of standalone financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that:

- Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) Provide reasonable assurance that transactions are recorded as necessary to permit preparation of standalone financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
- (3) Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the standalone financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2022, based on "the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India".

PYRAMID TECHNOPLAST PRIVATE LIMITED

NOTES 1 TO 24 ANNEXED TO AND FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31st MARCH, 2022.

NOTE 25: NOTES TO ACCOUNT

1. SIGNIFICANT ACCOUNTING POLICIES

a Basis of Preparation

- The financial statements of Pyramid Technoplast Private Limited have been prepared and presented in accordance with Indian Generally Accepted Accounting Principles (IGAAP) under historical cost convention on an accrual basis. As per section 133 of Companies Act, 2013 the existing Accounting Standards shall apply till the standards of accounting or any addendum thereto are prescribed by the Central Government in consultation and recommendation of the National Financial Reporting Authority. Consequently, these financial statements have been prepared to comply in all material aspects with Accounting Standards notified by the Central Government of India under Section 133 of the Companies Act, 2013, other pronouncements of the Institute of Chartered Accountants of India, the relevant provisions of the Companies Act, 2013. The financial statements are presented in Indian rupees.
- All material expenditure and Income to the extent considered payable and receivable respectively are accounted for on accrual basis.

b Use of Estimates

The preparation of the financial statements in conformity with IGAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent liabilities on the date of the financial statements and reported amounts of revenues and expenses for the year. Actual results could differ from these estimates. Any revision to accounting estimates is recognized prospectively in the current and future periods.

c Current & Non Current Classification

All the assets and liabilities have been classified as current or noncurrent as per the Company's normal operating cycle and other criteria set out in the Schedule III to the Companies Act, 2013.

Assets:

An asset is classified as current when it satisfies any of the following criteria:

- a) it is expected to be realised in, or is intended for sale or consumption in, the Company's normal operating cycle;
- b) it is held primarily for the purpose of being traded;
- c) it is expected to be realised within 12 months after the reporting date; or
- d) it is cash or cash equivalent unless it is restricted from being exchanged or used to settle a liability for at least 12 months after the reporting date.

Liabilities:

A liability is classified as current when it satisfies any of the following criteria:

- a) it is expected to be settled in the Company's normal operating cycle;
- b) it is held primarily for the purpose of being traded;
- c) it is due to be settled within 12 months after the reporting date; or
- d) the Company does not have an unconditional right to defer settlement of the liability for at least 12 months after the reporting date. Terms of a liability that could, at the option of the counterparty, result in its settlement by the issue of equity instruments do not affect its classification.

Current assets / liabilities include the current portion of non current financial assets liabilities respectively. All other assets / liabilities are classified as non-current.

d Property Plant and Equipment

Fixed assets are carried at the cost of acquisition or construction less accumulated depreciation. The cost of fixed

assets includes non-refundable taxes, duties, freight and other incidental expenses related to the acquisition and installation of the respective assets. Borrowing costs directly attributable to acquisition or construction of those fixed assets which necessarily take a substantial period of time to get ready for their intended use are capitalised.

- ii. Advances paid towards the acquisition of fixed assets outstanding at each balance sheet date are disclosed under short term loan and advances and the cost of fixed assets not ready for their intended use before such date are disclosed under capital work-in-progress.
- iii. Depreciation on assets is provided on Straight Line basis considering the useful life prescribed under Schedule II to the Companies Act, 2013. Depreciation is calculated on a pro-rata basis from the date of installation till the date the assets are sold or disposed.

e Investment:

- Investments that are readily realisable and are intended to be held for not more than 12 months from the date, on which such investments are made, are classified as current investments. All other investments are classified as noncurrent investments.
- ii. Long-term investments are carried at cost less any other than temporary diminution in value, determined separately for each individual investment. The reduction in the carrying amount is reversed when there is a rise in the value of the investment or if the reasons for the reduction no longer exist. Any reduction in the carrying amount and any reversal in such reductions are charged or credited to the statement of profit and loss.
- iii. Current investments are carried at the lower of cost and fair value. The comparison of cost and fair value is done separately in respect of each category of investment.

f Inventories:

(MUMBAI)

Inventories are valued at the lower of cost and net realizable value.

Net realizable value (NRV) is the estimated selling price in the ordinary course of the business, less the estimated costs of completion and the estimated costs necessary to make the sale. Cost of inventories comprises all cost of purchase, cost of conversion and other costs incurred in bringing the inventories to their presentable location and condition.

againal.

The methods of determining cost of various categories of inventories are as follows:

Raw Materials & Packing Materials;

At cost Computed on FIFO Method

b. Finished Goods:

At cost or net realisable value whichever is less.

g Foreign Exchange Transaction:

- Foreign currency transactions are recorded using the exchange rates prevailing on the dates of the respective transactions. Exchange differences arising on foreign currency transactions settled during the year are recognised in the Profit and Loss Account.
- ii. Monetary assets and liabilities denominated in foreign currencies as at the balance sheet date, not covered by forward exchange contracts, are translated at year end rates. The resultant exchange differences are recognised in the Profit and Loss Account. Non-monetary assets are recorded at the rates prevailing on the date of the transaction.

h Revenue Recognition:

Sale of Goods

- Revenue from sale of goods is recognised when significant risks and rewards in respect of ownership of products are transferred to customers.
- Revenue from exports is recognized when the significant risks and rewards of ownership of products are transferred to the customers, which is based upon the terms of the applicable contract.
- iii. Revenue from product sales is stated exclusive of returns, Goods and Services tax and applicable trade discounts and allowances.

Interest Income

 Income from interest on deposits, loans and interest bearing securities is recognised on the time proportionate method.

i Income-Tax Expense:

The current charge for income taxes is calculated in accordance with the relevant tax regulations applicable to the Company.

(Agamal)

j Deferred Tax:

Deferred tax charge or credit reflects the tax effects of timing differences between accounting income and taxable income for the period. The deferred tax charge or credit and the corresponding deferred tax liabilities or assets are recognised using the tax rates that have been enacted or substantially enacted by the balance sheet date. Deferred tax assets are recognised only to the extent there is reasonable certainty that the assets can be realised in future; however, where there is unabsorbed depreciation or carry forward of losses, deferred tax assets are recognised only if there is a virtual certainty of realisation of such assets. Deferred tax assets are reviewed at each balance sheet date and are written-down or written-up to reflect the amount that is reasonably / virtually certain (as the case may be) to be realised. The break-up of the major components of the deferred tax assets and liabilities as at balance sheet date has been arrived at after setting off deferred tax assets and liabilities where the Company has a legally enforceable right to set-off assets against liabilities and where such assets and liabilities relate to taxes on income levied by the same governing taxation laws.

Deferred tax assets are reviewed at each balance sheet date and are written-down or written-up to reflect the amount that is reasonably/virtually certain (as the case may be) to be realised.

k Earnings Per Share (Basic & Diluted):

- The basic earnings per share (EPS) is computed by dividing the net profit after tax for the year by the weighted average number of equity shares outstanding during the year.
- ii. The basic earning per share (EPS) excluding the exceptional item is computed by the dividing the net profit after tax but before exceptional item by the weighted average number of equity shares outstanding during the year.

1 Provisions and Contingent Liabilities:

The Company creates a provision when there is a present obligation as a result of a past event that probably requires an outflow of resources and a reliable estimate can be made of the amount of the obligation. A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources. Where there is possible obligation or a present obligation in respect of which the likelihood of outflow of resources is remote, no provision or disclosure is made.

Chicara Organial.

m Impairment of Assets:

- The Company assesses at each balance sheet date whether there is any indication that an asset may be impaired. If any such indication exists, the Company estimates the recoverable amount of the asset.
- ii. For the purpose of impairment testing, assets are grouped together into the smallest group of assets (Cash Generating Unit or CGU) that generates cash inflows from continuing use that are largely independent of the cash inflows of other assets or CGUs.
- iii. The recoverable amount of an asset or CGU is the greater of its value in use and its net selling price. Value in use is the present value of the estimated future cash flows expected to arise from the continuing use of an asset and from its disposal at the end of its useful life.
- iv. If such recoverable amount of the asset or the recoverable amount of the CGU to which the asset belongs is less than its carrying amount, the carrying amount is reduced to its recoverable amount. The reduction is treated as an impairment loss and is recognised in the statement of profit and loss. If at the balance sheet date there is an indication that if a previously assessed impairment loss no longer exists, the recoverable amount is reassessed, and the asset is reflected at the recoverable amount subject to a maximum of amortised historical cost.

N Balances with Non-Schedule Banks

Company does not have any account with non-scheduled banks in India.

O Trade Receivables:

After taking into consideration all the relevant aspects, the management determines that all the debts are considered as good unless otherwise stated, hence any provision for doubtful debt is not considered necessary.

p Prior Period Items, Extra Ordinary Items and Changes in Accounting Policy:

There is no change in Accounting Policy during the previous year. Prior period and extra-ordinary items and changes in accounting policies having material impact on the firsterial affairs of the company have been disclosed.

| Q | Material events occurring after the Balance Sheet date are taken into cognisance. |
|---|---|
| | - |
| R | Intangible Asset and Amortisation: Intangible assets are recorded at the consideration paid for acquisition. Intangible assets are amortised over their estimated useful lives on a Written down Value, commencing from the date the asset is available to the Company for its use. The management estimates a span of Ten Years as the useful lives for the intangible assets. |
| S | The outstanding balance of Trade Receivables, Trade Payables, Deposits and advances are subject to confirmation. |
| Т | Cash and Cash Equivalents: |
| | Cash and cash equivalents consist of cash on hand, demand deposits and short term, highly liquid investments that are readily convertible into known amounts of cash and which are subject to insignificant risk of changes in value. For this purpose, "short term" means investments having maturity of twelve months or less from the Date of Investment. |
| u | Employee benefit Expenses: |
| | a. <u>Defined Contribution plans</u> The company makes contributions, determined as a specific percentage of employee salaries, in respect of qualifying employees towards Provident fund and ESIC, which are defined contribution plans. The company has not obligations other than to make the specified contributions. The contributions are Charged to Statement of profit and loss as they accrue. |
| | b. Defined benefit plan(Gratuity) |
| | The gratuity plan entitles as employee who has rendered atleast five years of service to receive certain amount as retirement benefit as per the provisions of payment of gratuity Act. The company accounts the liability towards gratuity at fair value on the basis of actuarial valuation received from the actuary. The salient features of the report are as per annexure-1 |
