## Independent Auditor's Report

To the Members of  
**Pyramid Technoplast Private Limited**

### Report on the Audit of the Standalone Financial Statements

#### Opinion

We have audited the standalone financial statements of **Pyramid Technoplast Private Limited**. ("the Company"), which comprise the balance sheet as at March 31, 2021, and the statement of Profit and Loss, and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2021, and profit, and its cash flows for the year ended on that date.

#### Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### Responsibilities of Management and Those Charged with Governance for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the company's financial reporting process.

### **Auditor's Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to standalone financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

### **Report on Other Legal and Regulatory Requirements**

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), as amended, issued by the Central Government of India in terms of sub-section (11) of Section 143 of the Act and on basis of such checks of books and records of the company as we considered appropriate and according the information and explanations given to us, we give in the "**Annexure A**", a statement on the matters specified in paragraphs 3 and 4 of the Order.

2. As required by Section 143(3) of the Act, we report that:

a. We have sought and obtained all the information and explanations which to the best of our Knowledge and belief were necessary for the purposes of our audit.

b. In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.

c. The Balance Sheet, the Statement of Profit and Loss and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.

d. In our opinion, the aforesaid standalone financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.

e. On the basis of the written representations received from the directors as on March 31, 2019 and taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2021 from being appointed as a director in terms of Section 164 (2) of the Act.

f. With respect to the adequacy of the internal financial control over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate report in "**Annexure B**";

g. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:

- i) The Company does not have any pending litigations which would impact its financial position.
- ii) The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
- iii) There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.

**Pyramid Technoplast Private Limited**  
**Annexure "A" to the Independent Auditors' Report**  
**(Referred to in Paragraph (1) of our Report of even date)**

- (i) (a) The Company has maintained proper records showing full particulars, including quantitative details and situation of fixed assets.
- (b) The Company has a program of verification to cover all the items of fixed assets in a phased manner which, in our opinion, is reasonable having regard to the size of the Company and the nature of its assets. Pursuant to the program, certain fixed assets were physically verified by the management during the year. According to the information and explanations given to us, no material discrepancies were noticed on such verification.
- (c) According to the information and explanations given to us, the records examined by us and based on the examination of the conveyance deeds / registered sale deed provided to us, we report that, the title deeds, comprising all the immovable properties of land and buildings which are freehold, are held in the name of the Company as at the balance sheet date.
- (ii) As explained to us, the physical verification of inventory has been conducted at reasonable intervals by the management during the year and no material discrepancies were noticed on such physical verification as compared to books records.
- (iii) According to the information and explanations given to us and on the basis of our examination of the books of account, the Company has not granted any loans, secured or unsecured, to companies, firms, limited liability partnership or other parties listed in the register maintained under Section 189 of the Companies Act, 2013 during the year. Consequently, the provisions of clauses iii (a) and iii (c) of the order are not applicable to the Company and hence not commented upon.
- (iv) In our opinion and according to the information and explanations given to us, the company has complied with the provisions of section 185 and 186 of the Companies Act, 2013 in respect of loans, investments, guarantees, and security.
- (v) The Company has not accepted any deposits within the meaning of Sections 73 to 76 of the Act and the Companies (Acceptance of Deposits) Rules, 2014 (as amended). Accordingly, the provisions of clause 3(v) of the Order are not applicable to the Company.
- (vi) As per information & explanation given by the management, maintenance of cost records has not been prescribed by the Central Government under sub-section (1) of section 148 of the Companies Act 2013.
- (vii) (a) According to the records of the company, undisputed statutory dues including Provident Fund, Employees' State Insurance, Income-tax, Sales-tax, Service Tax, Custom Duty, Excise Duty, Goods and Service Tax, Cess to the extent applicable and any other statutory dues have generally been regularly deposited with the appropriate authorities. According to the information and explanations given to us there were no outstanding statutory dues as on March 31, 2021 for a period of more

than six months from the date they became payable.

- (b) Details of dues of Income Tax, Sales Tax, Service Tax, Excise Duty, Value Added Tax and Goods and Service Tax which have not been deposited as at March 31, 2021 on account of dispute are given below:

Nature of the statute	Nature of dues	Forum where Dispute is Pending	Period to which the Amount Relates	Amount (Rs.)
Income Tax Act, 1961	Income Tax	Commissioner of Income Tax (Appeal)	Assessment Year 2013-14	10,931/-

- (viii) In our opinion and according to the information and explanations given to us, the Company has not defaulted in the repayment of dues to banks. The Company has not taken any loans from government and has not issued any debentures.
- (ix) Based upon the audit procedures performed and the information and explanations given by the management, the term loans raised by the company were applied for the purposes for which they were raised.
- (x) Based upon the audit procedures performed and the information and explanations given by the management, we report that no fraud by the Company or on the company by its officers or employees has been noticed or reported during the year.
- (xi) In our opinion, being a private limited company, the provisions of section 197 read with Schedule V to the Companies Act are not applicable to the Company.
- (xii) In our opinion, the Company is not a Nidhi Company. Therefore, the provisions of clause 3 (xii) of the Order are not applicable to the Company.
- (xiii) In our opinion, all transactions with the related parties are in compliance with section 177 and 188 of Companies Act, 2013 and the details have been disclosed in the Financial Statements as required by the applicable accounting standards.
- (xiv) Based upon the audit procedures performed and the information and explanations given by the management, the company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures during the year.
- (xv) Based upon the audit procedures performed and the information and explanations given by the management, the company has not entered into any non-cash transactions with directors or persons connected with him. Accordingly, the provisions of clause 3 (xv) of the Order are not applicable to the Company and hence not commented upon.

(xvi) In our opinion, the company is not required to be registered under section 45 IA of the Reserve Bank of India Act, 1934 and accordingly, the provisions of clause 3 (xvi) of the Order are not applicable to the Company and hence not commented upon.

**Pyramid Technoplast Private Limited**  
**Annexure B to the Independent Auditors' Report**

**Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")**

We have audited the internal financial controls over financial reporting of **Pyramid Technoplast Private Limited** ("the Company") as of March 31, 2021 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

**Management's Responsibility for Internal Financial Controls**

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India". These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

**Auditors' Responsibility**

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

### **Meaning of Internal Financial Controls over Financial Reporting**

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

### **Inherent Limitations of Internal Financial Controls over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

### **Opinion**

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2021, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

November 15, 2021

**1 Background**

Pyramid Technoplast Private Limited ("PTPL") is engaged in the business of manufacturing of HM-HDPE Containers and Intermediate Bulk Containers.

**2 Significant accounting policies**

The accounting policies set out below have been applied consistently to the periods presented in these standalone financials statements.

**2.1 Basis of preparation of standalone financial statements**

The standalone financial statements have been prepared to comply in all material respects with the accounting standards notified by the Companies (Accounting Standards) Rules, read with Rule 7 to the Companies (Accounts) Rules 2014 (as amended) in respect of Section 133 of the Companies Act, 2013 ("the Act"), to the extent applicable. The standalone financial statements are prepared on an accrual basis of accounting policies which are consistent with those used in the previous year.

All assets and liabilities have been classified as current and non-current as per normal operating cycle of the Company and other criteria set out in as per the guidance as set out in the Schedule III to the Companies Act, 2013. Based on nature of services, the Company has ascertained its operating cycle as 12 months for the purpose of current and non-current classification of assets and liabilities. The standalone financial statements are presented in Indian rupees.

**2.2 Accounting estimates**

The preparation of the standalone financial statements, in conformity with generally accepted accounting principles, requires the management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent liabilities as at the date of standalone financial statements and the results of operation during the reported period. Although these estimates are based upon management's best knowledge of current events and actions, actual results could differ from these estimates which are recognised in the period in which they are determined.

**2.3 Property Plant and Equipments ("PPE") and Depreciation**

PPE are stated at cost of acquisition and installation or construction less accumulated depreciation / amortisation and impairment loss, if any. The cost of an item of PPE comprises its purchase price, including freight, duties, taxes (to the extent not recoverable from tax authorities) and any directly attributable cost of bringing the asset to its working condition for its intended use; any trade discounts and rebates are deducted in arriving at the purchase price.

Subsequent expenditures related to an item of PPE are added to its book value only if they increase the future benefits from the existing asset beyond its previously assessed standard of performance.

PPE under construction / expenditure incurred towards the acquisition / construction of standalone fixed assets outstanding at each balance sheet date and the cost of PPE, not ready for their intended use before such date are disclosed as capital work-in-progress.

PPE is eliminated from the standalone financial statements on disposal or when no further benefit is expected from its use and disposal. Assets retired from active use and held for disposal are stated at the lower of their net book value and net realizable value and classified as 'Assets held for sale' under 'Other current assets'.

Losses arising from retirement or gains or losses arising from disposal of PPE which are carried at cost are recognized in the Statement of Profit and Loss.

**Depreciation and amortisation**

Depreciation is provided on pro-rata basis on the written down value method from the date of capitalization at rates specified in Schedule II to the Companies Act, 2013.

<b>Asset</b>	<b>Useful Life</b>
Plant and Machinery	0-15 Years
Computer	2- 3 years
Furniture and Fixture	3 - 10 years
Office Equipment	0 - 5 years
Vehicles	8 years

For additions and deductions / disposals, depreciation is provided pro-rata for the period of use.

The useful lives are reviewed by the management at each financial year-end and revised, if appropriate. In case of a revision, the unamortized depreciable amount is charged over the revised remaining useful life.

#### 2.4 Impairment

The carrying amounts of assets are reviewed at each Balance Sheet date to assess if there is any indication of impairment based on internal/external factors. An impairment loss is recognised in the Statement of Profit and Loss whenever the carrying amount of an asset or a cash generating unit exceeds its recoverable amount. The recoverable amount of the assets (or where applicable, that of the cash generating unit to which the asset belongs) is estimated as the higher of its net selling price and its value in use. A previously recognized impairment loss is increased or reversed depending on changes in circumstances. However the carrying value after reversal is not increased beyond the carrying value that would have prevailed by charging usual depreciation if there was no impairment.

#### 2.5 Employee benefits

##### (a) Short-term employee benefits

Short-term employee benefits are recognised as expenses at the undiscounted amounts in the Statement of Profit and Loss of the year in which the related service is rendered.

##### (b) Defined contribution plan

Contributions to defined contribution schemes such as provident fund etc. are charged as an expense based on the amount of contribution required to be made as and when services are rendered by the employees. The above benefits are classified as Defined Contribution Schemes as the Company has no further defined obligations beyond the monthly contributions.

##### (c) Defined Benefit plan

The Gratuity is governed by the Payment of Gratuity Act, 1972. Under the Gratuity Act, employees are entitled to specific benefit at the time of retirement or termination of the employment on completion of five years or death while in employment. The level of benefit provided depends on the member's length of service and salary at the time of retirement / termination age.

##### (d) Long Term Obligation

Compensated absences which are not expected to occur within twelve months after the end of the period in which the employee renders the related service are recognized as a liability at the present value of the defined benefit obligation as at the Balance Sheet date less the fair value of the plan assets out of which the obligations are expected to be settled. Long Service Awards are recognized as a liability at the present value of the defined benefit obligation as at the Balance Sheet date.

#### 2.6 Revenue recognition

##### (a) Revenue from Operations

Revenue from Sale of Goods is recognized when all the significant risks and rewards of ownership of the goods have been passed to the buyer, usually on delivery of Goods.

##### (b) Interest income

Interest income is recognized on a time proportion basis taking into account the amount outstanding and the interest rate applicable.

#### 2.7 Taxation

##### Current tax

Provision for current tax is recognised based on the estimated tax liability computed after taking credit for allowances and exemptions in accordance with the Income Tax Act, 1961 and income computation and disclosure standards (ICDS) enacted in India by using tax rates and tax laws that are enacted or substantively enacted, at the reporting date.

##### Deferred tax

Deferred tax assets and liabilities are recognised for the future tax consequences attributable to timing differences between the financial statements' carrying amount of existing assets and liabilities and their respective tax bases. Deferred tax assets and liabilities are measured using the enacted tax rates or tax rates that are substantively enacted at the Balance Sheet dates. The effect on deferred tax assets and liabilities of a change in tax rates is recognised in the period that includes the enactment date. Where there is unabsorbed depreciation or carry forward losses, deferred tax assets are recognised only if there is virtual certainty supported by convincing evidence that they can be realised against future taxable profits. Where there is no unabsorbed depreciation/carry forward loss, deferred tax assets are recognised only to the extent there is a reasonable certainty of realisation in future. Such assets are reviewed at each Balance Sheet date to reassess realisation.

#### 2.8 Foreign currency transactions

Foreign currency transactions are recorded into Indian rupees using the exchange rates prevailing on the date of the respective transactions. Exchange difference arising on foreign currency transactions, between the actual rate of settlement and the rate on the date of the transactions, is charged or credited to the Statement of profit and loss.

Monetary assets and liabilities denominated in foreign currencies as at the balance sheet date are translated at the exchange rates prevailing on the balance sheet date and the overall net exchange gain or loss on such conversion, if any, is credited / charged to the Statement of profit and loss. Non monetary assets are recorded at the rates prevailing on the date of the transactions. Non-monetary foreign currency items are carried at historical cost. A foreign currency monetary item is classified as long-term if it has original maturity of one year or more.

*[Handwritten signature]*

*[Handwritten signature]*

## 2.9 Investments

Investments, which are readily realisable and intended to be held for not more than one year from the date on which such investments are made are classified as current investments. All other investments are classified as non-current investments.

Current investments are carried in the standalone financial statements at lower of cost or fair value determined on an individual investment basis. Non-current investments are carried at cost and provision for diminution in value is made to recognise a decline other than temporary in the value of the investments. Trade investments are the investments made for or to enhance the Company's business interests.

On initial recognition, all investments are measured at cost. The cost comprises purchase price and directly attributable acquisition charges such as brokerage, fees and duties. If an investment is acquired, or partly acquired, by the issue of shares or other securities, the acquisition cost is the fair value of the securities issued. If an investment is acquired in exchange for another asset, the acquisition is determined by reference to the fair value of the asset given up or by reference to the fair value of the investment acquired, whichever is more clearly evident.

## 2.10 Earnings per share ('EPS')

Basic earnings per share is calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. The weighted average number of equity shares outstanding during the period and for all periods presented is adjusted for events, such as bonus shares, other than the conversion of potential equity shares, that have changed the number of equity shares outstanding, without a corresponding change in resources. For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and weighted average number of equity shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares, except where results are anti dilutive.

## 2.11 Provisions and contingent liabilities and contingent assets

A provision is recognised when the Company has a present obligation as a result of past events and it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. Provisions are not discounted to their present value and are determined based on management's estimate required to settle the obligation at the balance sheet date. These are reviewed at each Balance Sheet date and adjusted to reflect the current management estimates.

## 2.13 Cash and cash equivalents

Cash and cash equivalents comprise of cash at bank and cash on hand. The Company considers all highly liquid investments with an original maturity of three month or less from date of purchase, to be cash equivalents with insignificant risk of change in value.

## 2.14 Cash flow statement

Cash flows are reported using the indirect method, whereby profit / (loss) before extraordinary items and tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Company are segregated based on the available information.

## 2.15 Borrowing costs

Borrowing costs include interest and amortization of ancillary costs incurred. Costs in connection with the borrowings of funds to the extent not directly related to the acquisition of qualifying assets are charged to the Statement of Profit and Loss over the tenure of the loan. Borrowing costs, allocated to and utilised for qualifying assets pertaining to the period from commencement of activities relating to construction / acquisition of the qualifying assets up to the date of capitalisation of such asset is added to the cost of the assets.

## 2.16 Indirect Taxes (GST/Service tax)

Good and Service Tax/Service tax input credit is accounted for in the books in the period in which the underlying service/goods received is accounted and when there is no uncertainty in availing / utilizing the credits.

## 2.17 Inventories are valued as under:

- i) Raw Materials – at cost
- ii) Consumables – at cost
- iii) Finished Goods – at cost or net realisable value whichever is lower. The cost of inventories is computed on FIFO basis.

## 2.18 Segment Reporting

The Company operates in the manufacturing segment and manufacturing primarily HM-HDPE Containers and Intermediate Bulk Containers. Further, all activities are carried out within India. As such, there are no separate reportable segments, as per the provisions of Accounting Standard – 17 on "Segment Reporting".

**Note 31: Employee Benefits****General descriptions of significant defined benefits plans****(a) Defined Contribution Plans**

The Company makes contributions, determined as a specified percentage of employee salaries, in respect of qualifying employees towards provident fund and employees state insurance, which are defined contribution plans. The Company has no obligations other than to make the specified contributions. The contributions are charged to the statement of profit and loss as they accrue.

**(b) Defined Benefit Plan****Gratuity (Unfunded)**

The gratuity plan entitles an employee, who has rendered at least five years of continuous service to receive one half month salary for each year of completed service at the time of retirement/exit. No actuarial valuation was carried out during the year. Provision for Gratuity is made in respect of those employees who have completed requisite period of Service. Upto the last financial year the management has provided for gratuity liability on payment basis. The company is in the process of getting the actuarial valuation carried out during the current financial year.
